

CityWalk Conference on Walkability

“Steps towards liveable cities”

Date: **Tuesday, March 26th 2019**

Time: **9:00 – 16:00**

Venue: **City Hall of Oradea (Primaria Oradea), Meeting room of the Oradea Local Council “Traian Moşoiu”, Piata Unirii Square no.1, 1st floor, 410100 Oradea**

Dear Sir or Madam,

City of ORADEA and partnership of the project CityWalk (Towards energy responsible places: establishing walkable cities in the Danube Region - co-founded by EU funds) are delighted **to invite you to the final event of the project.**

CityWalk project – Towards energy responsible places: establishing walkable cities in the Danube Region – helps cities in the Danube Region to reduce greenhouse gas emissions, noise and to become safer, better places to live, by increasing the role of more sustainable forms of mobility in the urban transport mix, especially active transport forms (like walking and biking). The project addresses the challenge with a holistic approach: improving urban mobility through efficiently combining various means of transport by identifying the obstacles, developing and implementing a plan to address those obstacles.

At the final event we will address the obstacles of sustainable forms of mobility in the cities. At two different dialogue panels with the thematic experts from the field of urban planning we will be looking for answers and proposals linked to the issues of the sustainable urban planning and design of the cities, environmental impact of traffic, pedestrian infrastructure, awareness raising and policies/regulations. We will also present all project results, which can be used by any cities.

Please register yourself at registration form:

<https://docs.google.com/forms/d/e/1FAIpQLSdqpiZRCbUzIH9WVPnRUZhVRizLobCHOnFwfODEKy8B-NblpQ/viewform?vc=0&c=0&w=1> by the 22nd of March, 2019. The Conference on Walkability will be held in English and Romanian.

We are looking forward to meeting you in ORADEA!

City Oradea & CityWalk project partners.
